

Tools to get you started:

Meet with you to discuss your event and provide suggestions.

Approve the use of our logo on your promotional materials.

Provide a letter of support for your event to send to prospective sponsors.

Arrange for a representative to speak at your event, if applicable.

Promote the event within the Hospital, and in our newsletters, if timing is appropriate.

Acknowledge your support in our newsletter.

Write thank you letters.

Issue charitable tax receipts, if applicable.

About our Hospital:

Guelph General Hospital has been a vital part of our community since 1875. It has come a long way since then, when there were just twelve beds, one small infection room, a dispensary, one superintendant and two nurses to provide care.

Today, GGH is a bustling community hospital with 165 beds. Each year, there are 1,700 babies born and 18,000 surgeries performed. On average there are 48,000 Emergency Department visits and 48,000 diagnostic imaging tests and so much more. Donor support helps our team of 1500 caregivers change lives by giving them the needed tools to treat illness and injury, to heal and comfort and, indeed, save lives!

Thank You.

Guelph General Hospital is fortunate to have so many generous individuals and organizations in our community who want to help us. We rely on this generosity to help us provide quality, patient-centred health care.

How you can help:

Guelph General Hospital has depended on the support of the community since its beginnings in 1875 – as it does today. Did you know that over the last few years, one in every two dollars spent on medical equipment comes from donor support? There are many, many ways you can help.

One way you can help is by organizing a do it yourself (DIY) fundraising event in support of the Hospital. Your efforts will directly benefit the quality of care our patients receive by making sure our caregivers have the tools they need to provide care to our community.

Donations help the Hospital purchase equipment it would not otherwise have been able to afford – tools like our first CT scanner, our digital mammography machine, our MRI scanner, incubators, monitoring systems, IV pumps. . . and so much more.

What is a DIY event?

It's any event – big or small - in support of the Hospital that is organized by someone outside the Hospital or the Hospital Foundation.

Who can hold a DIY event?

Anyone or any group – schools, clubs, service organizations, companies, individuals – to name a few.

What kinds of events work?

Just about anything works. Be creative. And have fun! Here are just a few ideas:

- | | |
|--------------------------|--|
| Golf Tournaments | Concerts |
| Races (bike, run, walk) | Bake Sales |
| Car Rallies | Craft Shows or Art Shows |
| Scavenger Hunts | A-Thons of any kind (walk, bike, swim, jump) |
| Raffles | Car Washes |
| Galas | Sporting Events |
| Fashion Shows | Carnivals |
| Auctions (live & silent) | Book Sales |
| Dances | Dress Down Days |
| Lemonade Stands | Dinner Parties |
