

## YOU CHOOSE...

**Circle of Life** members will also have the opportunity, as a group, to determine which priority hospital project to support.

Each year, members will be provided with a summary of three to five pressing Hospital projects which need community support. Members will receive a proposal outlining each option, along with an invitation to attend a special meeting where each project is presented.

Members vote and the project with the most votes will receive that year's funding from the **Circle of Life** program.

# THE PROGRAM

Now more than ever, Guelph General Hospital relies on the support of its community. Donations mean that the GGH caregivers have the equipment they need to treat illness and injury, to provide care and comfort, to change and indeed, to save lives. Government funding provides the basics – we need and deserve more than the basics.

As members of the Circle of Life, you are among Guelph General Hospital's most loyal supporters. We offer the following recognition:

Circle of Life Patrons, Sponsors and Supporters are invited to an annual celebration cocktail party at the home of our Philanthropy Leaders Cabinet Chair, Linda Hasenfratz – CEO of Linamar Corporation

All members receive our bi-annual newsletter featuring hospital news of interest to donors. Additionally, throughout the year, all members may receive invitations to special events, lectures by health care experts and receptions for special friends of the Hospital.

All Circle of Life members will be listed in the Foundation's annual donor listing, and on our website.

At your request, we would be happy to provide a guided tour of Guelph General Hospital.

\*Please note: if you do not want your name displayed for recognition purposes, please call The Foundation of Guelph General Hospital at 519-837-6422.

## THE CIRCLE OF LIFE.

AT ALL AGES AND STAGES IN LIFE, THROUGH THE **CIRCLE OF LIFE**, GUELPH GENERAL HOSPITAL IS HERE FOR OUR COMMUNITY.

The **Circle of Life** program celebrates the outstanding philanthropy that benefits patients at Guelph General Hospital today – and carries on the legacy of remarkable community support that began in 1872.

The new **Circle of Life** program is a way to recognize those individuals who provide consistent annual gifts that help purchase equipment for all areas of the Hospital.

As committed participants in annual giving, members provide a reliable stream of funding for GGH to serve the greatest need of our patients. Members commit to a gift of \$1,500 or more each year, to support a priority project chosen by members.

Just as a circle is a continuous cycle with no end, so are the gifts from those who belong to the **Circle of Life**.
