Fore Our Hospital 2017

Monday June 5, 2017 at Cutten Fields

In support of

THE FOUNDATION OF GUELPH GENERAL HOSPITAL

CUTTEN FIELDS 1931

About the Event

Since 2010, Fore Our Hospital has been attracting 100+ golfers of all skill levels to play a round at Cutten Fields in support of our Hospital.

Each year, the event raises approximately $30,000 for the Hospital. Last year, all proceeds helped fund one of three new state-of-the-art ultrasound machines for Guelph General. They have significantly impacted the lives of those whose illness and treatment is confirmed or monitored through ultrasound imaging. You may visit gghfoundation.ca/ThreeNewUltrasounds to learn more about how they are improving patient care at Guelph General Hospital.

Fore Our Hospital is a full day event starting with registration in the late morning, followed by lunch, a round of golf and finishing with a leisurely seated dinner. The majority of the participants are business professionals ranging in age from 30s to 60s, many of whom attend the event for an opportunity to network with other professionals and who share a common desire to do something meaningful for their community by supporting our Hospital.

We invite you to join this networking opportunity and to partner with some of Guelph's most active business professionals to help save lives and improve health within our community.

Format: Scramble

About the Foundation

Patient care equipment is not covered by government funding within the province of Ontario.

Equipment as essential as IV pumps, surgical scopes and diagnostic scanners are available at Guelph General Hospital only because of generous financial gifts from within the community.

Since the Foundation's inception almost 30 years ago, more than $49 million in donations has been raised for the Hospital and almost every dollar the Hospital spends on patient care equipment comes from these caring donations.
