

When you confirm a planned gift to the Foundation of Guelph General Hospital, you will be invited to become a member of the Heritage Society – a special group of donors who share the same commitment to investing in the future of Guelph General Hospital.

The Heritage Society honours those who have made a provision for a future gift through a bequest, life insurance, annuity, or trust arrangement. There are no dues or other obligations to be a member, and we recognize that many planned gifts are revocable.

Each year, Heritage Society members are invited to an annual recognition event and other special opportunities to learn more about the work of the Hospital.

Once you confirm that a planned gift has been made, please let us know. This provides us an opportunity to ensure we can meet your wishes, should you prefer to designate your donation to a specific area of the Hospital.

With your permission, the Foundation will also recognize your generosity on the Heritage Society section of our Donor Recognition Wall in the main lobby of the hospital. We understand that most people do not give in this way to be recognized and all requests for anonymity will, of course, be honoured. It is our hope that individuals will agree to make their names known, as we can say thank you in a meaningful way.

If you wish to join, please fill out the form on the back and email to the contact information below. All information will be kept strictly confidential.

Thank you.
