Ambulatory Care	Specialized motorized medical stretcher designed for urological exams
Ambulatory Care	Electrosurgical Unit renovations
Ambulatory Care	Treatment Chairs
Ambulatory Care	Stretchers
Anatomical Pathology Lab	Digital Scanning Technology Hardware & Software for Telepathology
Anatomical Pathology Lab	Robotic machines to assist with microscope slide prep
Chemotherapy Unit, Emergency + Sexual Assault and Domestic Violence	Care kits for patients
Communications	Prizes for 150th celebration
Day Surgery Unit	Stretchers
Diagnostic Imaging	Ultasound Machine
Diagnostic Imaging	MRI Safe Wheelchairs
Diagnostic Imaging - CT	Blanket warmer
Diagnostic Imaging - Ultrasound	Stretchers
Diagnostic Imaging & Radiology	Live X-ray machine & Urology OR table
Emergency Department	Design, Planning, and Construction

Emergency Department	Machine to warm IV fluids and blood at high speeds
Emergency Department	Mayo stands
Emergency Department	Portable Vital signs monitor and defibrilator
Emergency Department	Portable Vital signs monitor and defibrilator & series transfer monitor
Emergency Department	Stretchers
Emergency Department	Stress balls for patients
Emergency Department	Transport Stretchers
Environemental & Building Services	Hopsital Welcome area renovation
Family Birthing Unit	Support person sleep surfaces
Family Birthing Unit	LED phototherapy system for newborns
Family Birthing Unit	Nitrous Oxide Machine
Food and Environmental Services	Microwaves for staff use
Hospital Wide	Dental hygene kits for patients
Hospital Wide	Sanitizer replacement bulb for Bistro device sanitizer for staff and patients
Hospital Wide	Schwartz Rounds
Human Resources	Staff recognition and appreciation
ICU	Three Wishes Program
Inpatient Surgery 5W	Portable medical pumps and specialized storage cabinets
Inpatient Surgery 5W	Stretchers
Inpatient Surgery 5W	Compact device to identify pulse signals
Inpatient Surgery 5W	Geriatric Recliner Chairs
Inpatient Surgery 5W	Steady Lift Assist
Inpatient Surgery 6W	Stretchers

Inpatient Surgery 6W	Compact device to identify pulse signals
Inpatient Surgery 6W	Geriatric Recliner Chairs
Lab Core	Full Core Auotmation & Renovations
Medical Device Reprocessing Department	Sterilization Trolley
Medical Device Reprocessing Department	Transfer Cart and Washer Disinfectors
Medicine	Beds
Mental Health & Addictions Unit	Design, Planning, and Construction
Microbiology Lab	Robotic machines to assist with microscope slide staining
Microbiology Lab	Specialized software system for labratory tests and data
Operating Room	Anaesthetic Machines
Operating Room	Urology equipment for laser prostrate enucliation
Operating Room	Ultrasound Machine
Operating Room	Gynocology scope set
Operating Room	OR Lights
Operating Room	Medical video camera blade
Operating Room	Supension system for surgical tools
Operating Room	Machine to warm IV fluids and blood at high speeds
Operating Room	Rhinoplasty set
Operating Room	Yellow Fin Stirrups
Operating Room	Portable Vital signs monitor and defibrilator
Operating Room	Specialized surgical instrument sets
Operating Room	Full body x-ray shield
Operating Room	Urology equipment and scope
Operating Room	Glidescope stand

Patient Care	Guelph Quilters Guild
Pharmacy	Autoprint
Professional Practice	PARTY program equipment
Professional Practice	Trauma Development Day
Scholarships	Marianne Walker Leadership Award
Specimen Procurement Lab	Label maker and printer for patience specimen collection
Speedvale Campus Phase 1 - Diagnostic Imaging	Design, Planning, and Construction
Speedvale Campus Phase 1 - Diagnostic Imaging	Stretchers
Speedvale Campus Phase 1 - Diagnostic Imaging	General duty x-ray room 1
Speedvale Campus Phase 1 - Diagnostic Imaging	MRI Scanner 2
Speedvale Campus Phase 1 - Diagnostic Imaging	Mammography machine
Speedvale Campus Phase 1 - Diagnostic Imaging	IT Equipment
Speedvale Campus Phase 1 - Diagnostic Imaging	Ultrasound Machine-General
Speedvale Campus Phase 1 - Diagnostic Imaging	Office Furniture and Equipment
Speedvale Campus Phase 1 - Diagnostic Imaging	High level disinfecting device
Speedvale Campus Phase 1 - Diagnostic Imaging	Floor sweeper
Speedvale Campus Phase 1 - Diagnostic Imaging	Radiologist reading station
Spiritual Care	Quilt frame
Staff Appreciation	Breakfast with Santa
Staff Appreciation	Christmas Day Meal for staff
Staff Appreciation	Mission Nutrition Days for staff
Staff Appreciation	Staff appreciation events
Step Down ICU	Prisma machine for renal replacement therapies
Transfer Service Lab	Biorad Centrifuge

Total Funded	**$**	**18,171,415.00**
